

APECS-AGU Cryosphere Lunchtime Careers Panel

 @US_APECS

Wednesday, December 14

12:30 - 1:30 pm

Moscone South, Career Center Theatre (Poster Halls A-C)

Join us for a panel discussion with cryosphere experts on the topic of **"applying for the next step"**!

Conversation will cover the application process and what institutions and other employers are looking for in their junior scientists. Attendees at ***all career stages*** welcome. Please feel free to bring your own lunch.

Panelists

Dr. Twila Moon

Lecturer

Bristol Glaciology Centre
University of Bristol

Dr. Åsa Rennermalm

Associate Professor
Dept. of Geography
Rutgers University

Dr. Robert Rich
